

Paper Jewellery - Earrings

1. Cut out rectangle of paper.
Cut in half diagonally to make two triangles.

2. Roll paper around the cocktail stick. Use gluestick to hold the corner in place.
N.B. Keep the long straight top edge in line all the time – this is the bottom of the earring.

3. Varnish bead thoroughly and leave to dry

4. When dry, put sequin and paper bead on a head wire.
Curl end of wire into a hoop. Attach earring wire to the curled end.
